

Dear Rep. _____;

I write to respectfully request your attention to a proposal to provide North Carolina's 100% disabled Veterans with property tax relief.

As the House of Representatives formulates its 2008-2009 budget, please consider supporting the effort to provide tax relief to North Carolina's 100% disabled veterans. The North Carolina Veterans Council has endorsed two proposals, HB 486 and SB 895, which should be incorporated into the State Budget to provide property tax relief to North Carolina Veterans. Fiscal analysis shows that this relief would cost less than \$10 million, yet would have a very meaningful impact on the live of North Carolina's disabled veterans and war heroes.

I anxiously await the publication of the House version of the State Budget and will be hopefully looking for provisions to provide property tax relief to disabled veterans. Should you have any questions please feel free to contact me.

Sincerely,
