

Subject: RMH pop tab revenue

Mike,

I enjoyed reading your history with RMH and pop tabs. As David may have shared with you – we are very close to our RMH families – including several children and teens with Cystic Fibrosis. These are a very brave, courageous, special group of youngsters who teach us some very valuable life lessons...

I can't believe that the most recent statistics you have go as far back as 2004! - I know you'll love the updated numbers...Please note that when we partnered with the American Legion, my "dream" was to reach a BIG stretch goal of \$10,000 annual income – and look where we are today! I bet it's time to set a \$20,000 goal.

1. Dec 31, 2004 \$9,657.17
2. Dec 31, 2005 \$11,078.75
3. Dec 31, 2006 \$16,606.96
4. Aug 10, 2007 \$14,461.95

Mike thanks again. And David – I am attending the Global Ronald McDonald House conference next week. I hope to find out more about the history behind the program (beyond) our efforts – who figured out that there was gold in pop tabs and how did we as a national charity get started.
