

Honoring Our Promises Everyday

2008 – 2009 President's Project

Goal 1: To raise \$20,000 for stand downs for North Carolina homeless veterans

Goal 2: To collect "\$20,000 worth" of toiletry items, thermo pants and shirts (large sizes), socks, gloves, sweat shirts, sweat pants, hats, scarves and coats for North Carolina homeless veterans

Goal 3: To recruit ten (10) volunteers from each Division to assist North Carolina homeless veterans

Now that the goals for the President's Project committee are known, members of the committee ask that Units begin to honor our promise to homeless veterans.

Please send contributions from your 2008 Poppy drive to Department Headquarters ASAP with 2008-2009 President's Project indicated on it.

Please plan to attend President Beverly's Homecoming on August 9th at Waynesville Post 47 and bring items requested in Goal 2 to be credited to your Unit, Post or Squadron.

Please begin recruiting volunteers to assist with homeless veterans. Names will be recorded and recognition given so please report names to committee members as soon as she or he begins to give time. The hours spent can be counted as field service or hospital service if the proper training has been taken.
