

President's Message

Beverly Waller
Department President 2008-2009

I would like thank everyone for giving me the opportunity to serve as your Department President this year.

The American Legion, The American Legion Auxiliary and the Sons of the American Legion have always worked as a "family" and I look forward to continuing this "tradition". I would like to congratulate Jim Mayhew on his election as Department Commander and Randy Harris on his election as Department Detachment Commander. Together we will make a difference for our Veterans.

My President's project this year is "Homeless Veterans of North Carolina". We will endeavor to make a difference in their lives and help them get back on their "feet"; we have several things planned to accomplish this. If we all work together this can be done!

Once again, thank you for allowing me to serve you, our state and our veterans – I will not let you down!

For GOD and Country,
