## **Medicare Supplement**

It's no secret that while it gives basic **protection** against health care **costs**, **Medicare** won't **cover** all your **medical expenses**. To **help** cover some of the items that **Medicare** does not cover, **many members, just like you**, have chosen the **group Medicare Supplement Insurance Plan endorsed by your Department of The American Legion**.

Other great reasons for choosing the Legionnaire Insurance Trust plans:

- Legionnaire Insurance Trust regularly monitors the program.
- The excellent **value** the plans provide for the price—the competitive group Medicare Supplement Insurance Plans are not available to the general public.
- The **convenience** and exceptional service whenever you need it—whether you're preparing to enroll or have questions about your benefits—get answers to your questions over the phone.

Where can you **get more information** on selecting a **Medicare Supplement** plan? You will receive prompt, personal and responsive service from courteous customer service representatives ready to answer your questions.
