

LegionCare program now improved!

The Legionnaire Insurance Trust (LIT) is pleased to announce some important changes to the **LegionCare** program just revealed at the 97th Annual American Legion National Convention earlier this month.

The first of these exciting updates – starting for enrollments after 1/1/2015, anyone enrolled in LegionCare will be covered for as long as they remain a member of The Legion Family. No need to re-enroll every 5 years!

The second change, and what we think is the most important - All “Legion Family” members – Legion, senior ALA, and senior SAL – in good standing are now eligible for the coverage. The Legionnaire Insurance Trust has been working hard to provide valuable benefits to your entire family and we look forward to continuing to serve veterans’ insurance needs.

Those “Legion Family” members stopping by our booth were able to enroll in the LIT’s **LegionCare** program and have their coverage become effective immediately, but this opportunity is not restricted to just those who were at the National Convention. **Every** eligible “Legion Family” member may enroll, but the member must sign-up to be covered. Please keep the momentum going after the convention and spread the word about these exciting changes to **LegionCare**.
