Re: Child Welfare Foundation (CWF)

Date: April 5, 2016

For those Squadrons that have made a contribution to the Child Welfare Foundation, we thank you! However, there are many squadrons that have not made a contribution at all. Each year the SAL contributes the most to the Child Welfare Foundation. More than The American Legion or The American Legion Auxiliary. We want to be able to continue that trend and the only way we can do it is if we continue to make donations. If each Detachment reaches or exceeds their goal it can be done again. So if your squadron has not made a contribution to the Child Welfare Foundation or you find you have a little more money you can contribute, please do so as soon as possible. Please send your contributions with a check made out to the Child Welfare Foundation and send it to me at **114 Bayview Trail, Edenton, NC 27932**. In that way I can get it sent quickly to National. The absolute deadline for contributions to reach National is May 31st.
