

## Veteran Medals Program Information and Request for Assistance

As part of the US Army Tank-Automotive Command (USATACOM), headquartered in Warren, MI, our office has the mission of engraving and assembling all Army military awards and decorations for authorized Army Veterans and their families. We'd like to ensure as much information as is possible be provided to and is readily available for all deserving veterans to obtain their initial issue of authorized awards free of charge and in a timely manner. While the process of verifying which awards are actually authorized (and not already issued) for a specific veteran starts with US Army Human Resources Command (HRC) in St. Louis, MO, the final product (authorized medals and appurtenances) are packaged and shipped from our location in Philadelphia, PA, to the authorized recipient and/or their next of kin.

We ask that you facilitate the broadcast of this information to your constituents by providing Point of Contact information for all offices/posts within your state, including name, mailing address, email address, and/or website (if applicable). Please complete and return this form or forward the information in an email to one of personnel listed below. This information would only be utilized to forward a copy of the brochure and a streamlined process flow (also attached) via an email from our website.

In addition, the following link provides some basic information about our mission and program - <https://veteranmedals.army.mil/>.

If you should have any questions and/or concerns, please contact Pat Weist at [patricia.weist@us.army.mil](mailto:patricia.weist@us.army.mil) or Tina Davis at [Tina.Davis@dla.mil](mailto:Tina.Davis@dla.mil).
