2007 Department Convention Voting

Chairmen of post delegations should check with the Headquarters staff at the Convention Registration Desk at the North Raleigh Hilton upon arrival in Raleigh to be sure that their Post delegates are properly certified. In accordance with Article V Section 9 of the Department Constitution and By-Laws, only those Posts whose delegates are duly certified and whose registration fee has been paid will be permitted to vote in the Department elections. The pre-registration fee is \$5.00 per delegate. Registration at the Convention will be \$7.00 per delegate. Certification for delegates must be postmarked no later than June 5, 2007.

Post Commander/Adjutant Packets

This year we are again endeavoring to get an early start on our 2007-2008 membership program. In order to do this, it is imperative we get the Commander and Adjutant packets and 2008 membership cards into the proper hands as soon as possible. The packets will be made up and ready for you to pick up during the Department Convention, June 14-16, 2007, in the storage room across from the green marble desk at the North Raleigh Hilton, Raleigh, NC. **Please be sure to sign for your packet and give your Post number so that we can determine who has not received a packet.** *If it is impossible for you to attend the Convention, please make arrangements with someone from your Post or one nearby to pick up your packet. Any cards not picked up will be given to your District Commander.*

Newly Elected Post Officers

Your tenure of office for the current membership year is quickly coming to a close. However, many of you will be re-elected and continue to serve your Post, while others will be replaced by new officers. The staff at Department Headquarters hopes that this monthly bulletin has been of some value to you. If you have not already done so, please forward a list of your newly elected Officers as soon as possible. (Form included in mailing) Please notify Headquarters **EVEN IF THERE ARE NO CHANGES** so we can make sure our records are complete for mailing purposes. It is our constant desire to be of assistance to each Post, and it is only through a team effort that we are able to accomplish our goals throughout the year. **It is important to report address changes, i.e. new zip codes. To ensure you will get the information you need, make sure our information about you is correct. If you would like one packet mailed to the post, please use your post address for either the commander or the adjutant. We cannot mail an extra packet, but would gladly mail one to the post address instead of your home address.**

Boys' State Program

Please remind your delegates to Boys' State to take band instruments and athletic equipment (tennis rackets, baseball gloves, etc.) with them to Catawba College. Thanks to all the posts who have sponsored Boys' State Delegates. We expect a class of approximately 250 delegates and are gratified by the warm welcome Catawba College is extending to The American Legion. This promises to be our best year yet!

Student Trooper Program

The American Legion Student Trooper Program is also shaping up to be a large success. This year the Highway Patrol Training Center has room for 46 students to attend. There are still a few spaces open if you have a young man or woman who would like to attend. Thank you to everyone who worked so hard to get the word out to the schools and students who will be attending. This is a very worthy program that should be full every year.

A New Year

A new year with new ideas, goals and possibilities. Only you can make this a successful year. Let us all strive to get our members renewed as soon as possible ,then we can concentrate on the wonderful American Legion Programs. These programs are a positive impact on our youth that participate and their families. These many youth programs sponsored by the local posts across this great nation will only survive if we are actively involved with them. Someone has to care enough and take the time for these programs to be available to our youth. You and your post have the ability to make this happen. Everything including membership and youth programs start and end within each post. Remember pride and satisfaction in a job well done. How are you and your post doing?

Post Information

Your current post information is most important to your Department Staff. We the information you provide to potential new members; out of state members; and all visitors (Department officers and etc) There is a file at Department Headquarters on every post in North Carolina. Most of the posts files have very limited information and a few have a lot of important information. It is most helpful when your post files have a copy of your post constitution and by-laws; your post incorporation papers; listing of any military equipment including honor guard rifles copy of your post/property deed; copy of your post charter; current listing of post officers. It would also be helpful if we had the information in your file concerning the availability of a bar or bingo. We receive many calls throughout the year concerning information on local post location, meeting times and activities. This is why it is so important that we have updated information on your local post. Your Post Consolidated Reports are not only important to your Department, but also to our National Headquarters. " Thanks for your cooperation."
