Membership News

A reminder to all Posts concerning membership renewals: (as found in the North Carolina Constitution and By-laws, article IV, section 5), "A member whose dues for the current year have not been paid by January 1 shall be classed as delinquent. If dues are paid on or before February 1, reinstatement shall be automatic. If still delinquent after February 1, all privileges shall be suspended. If still under such suspension on June 30 of such year, membership in The American Legion shall be forfeited. A member so suspended or whose membership has been so forfeited may be reinstated to active membership in good standing by vote of the Post and payment of current dues for the year in which the reinstatement occurs. Provided, however, that the Post, Department and the National organization may waive the provisions hereof, upon payment of dues for the year in which reinstatement occurs, with reference to former members who have been prevented from the payment of dues by reason of active military service" When submitting a member for a PUFL, after January 1, 2018, the 2018 dues must be paid first. Please, when transmitting, recheck your cards and notes before mailing to avoid delay in processing. If a member is transferring and has already paid dues for the year, only include a signed member data form. **"No money, no renewal card"**. When transferring out of state or 1981Adm. (DMS) members, please put the member's current address on the member data form. Finally, membership applications are not accepted for transmittal of new post members. Please provide a 2-part card.

Baseball Season 2019

The 2019 American Legion Baseball season will be here sooner than we think! Remember, the process for registering your team is all online, and handled by American Legion National Headquarters. If you need information on how to register, please call your area commissioner or Department Headquarters. Registration may start after January 1, 2019.

The National Emergency Fund

The American Legion's National Emergency Fund is set up to quickly and efficiently provide money to affected Legion Family members and posts. A full 100 percent of donations to NEF are turned into grants. Donations are not used to cover administrative and promotional costs. With the devastation from Hurricanes Irma and Maria, there is still a great need to get funds to Posts and members in the areas affected by these storms. You can forward your donations to Department Headquarters or donate directly online at www.legion.org. Thank you.

100th Anniversary History Book Is Going to Press!

The long-awaited American Legion of North Carolina 100th Anniversary History and Member Directory Project, "100 Years of The American Legion in North Carolina," is going to press in early December. Publishing Concepts (PCI) in Dallas, TX is publishing the book. The response from our membership has been outstanding and we look forward to celebrating our 100 Year Anniversary with this once in a lifetime publication. The book comes complete with over thirty pages of history, highlighted with timelines, narrative history, and pictures of activities and events. The second part of the book is entitled "Our Legacy," with member photographs and memories. For those who did not take advantage of the pre-sale, copies will be available through Department Headquarters. Thank you once again for your participation in this project. We have much to be proud of in the American Legion Department of North Carolina. Future generations of Legionnaires will be grateful for your service and sharing the story.

Membership Report Issues

Due to the 3 posts that were transferred from District 17 to District 16, the newly designed membership report incorrectly shows the post achieved numbers for Districts 16 and 17. The staff is in the process of correcting this issue with national and will have a corrected report ready by Friday November 16 for Posts who would like one emailed or mailed to them. We apologize for the inconvenience.
