

Post Newsletter of the Year Contest to be Judged at the Annual Fall Conference

(adopted at Mid-Winter Conference - February 16, 2001)

The Public Relations Committee will select the Post Newsletter of the Year Award winner at the Fall Conference. After all other business has been conducted the committee will go into closed session to perform the judging.

Any Post that wants to submit their newsletter for the competition should provide a copy of every newsletter mailed out in the last program year. This would start with the first newsletter after the installation of post officers.

A **cover page** containing the post name, post number, post city, name of the newsletter editor and the name and address of the person submitting the contest entry **is a requirement**.

A **binder (cover) is not required** but a binder will insure that none of your issues are lost and an attractive binder could affect the points awarded in the "Judge's Option" scoring category.

The score-sheet on the reverse side of this form will be used to score the contestants. Each judge will score every post entry. The scores from each judge will then be combined. The post with the greatest number of total points will be the winner.

After the judging all entries will be placed on a table in the registration area for viewing. Any post wanting their contest entry back should make arrangements for someone to pick up that entry from the registration area.

Send your newsletters to Department Headquarters no later than October 10, or hand deliver to committee meeting prior to the committee's going into closed session for judging.
