***THE WALL THAT HEALS IS COMING TO Roxboro NC***

**ON April 30, 2025 – May 4, 2025**

*Vietnam Veterans Memorial Replica Wall and Mobile Education Center  
spreads healing legacy of The Wall and educates about the impact of the Vietnam War*

Roxboro NC – *The Wall That Heals*, a three-quarter scale replica of the Vietnam Veterans Memorial along with a mobile Education Center, is coming to Roxboro NC on April 30, 2025 – May 4, 2025 at Roxboro Sports Complex and will be open 24 hours a day and free to the public. *The Wall That Heals* honors the more than three million Americans who served in the U.S. Armed forces in the Vietnam War, and it bears the names of the 58,281 men and women who made the ultimate sacrifice in Vietnam.

“This is a huge honor for Person County and the City of Roxboro to host *The Wall That Heals*,” said Alan Whitlow, President, Person Veterans Council.

“6 years in the making to bring *The Wall That Heals* to Person County. For our almost 3,000 Veterans that call Person County home, this is a huge event. We also expect to bring visitors in from Southern Virginia and all parts of North Carolina to view *The Wall That Heals*.”

“The Vietnam Veterans Memorial Fund is pleased to bring *The Wall That Heals* mobile exhibit to Roxboro NC to allow local veterans and their family members a chance to experience *The Wall*,” said Jim Knotts, president and CEO of VVMF. “Hosting *The Wall That Heals* provides an opportunity to honor and remember all those who served and sacrificed in the Vietnam War and educate visitors on the continuing impact of the Vietnam War on America.”

*The Wall That Heals* is transported from community to community in a 53-foot trailer. When parked, the trailer opens with exhibits built into its sides, allowing it to serve as a mobile Education Center telling the story of the Vietnam War, *The Wall* and the divisive era in American history.

The three-quarter scale Wall replica is 375 feet in length and stands 7.5 feet high at its tallest point. Visitors will experience *The Wall* rising above them as they walk towards the apex,

a key feature of the design of *The Wall* in D.C. Visitors are able to do name rubbings of individual service member’s names on *The Wall*.

The mobile Education Center exhibit includes: digital photo displays of “Hometown Heroes” - service members whose names are on *The Wall* that list their home of record within the area of a visit; digital photo displays of Vietnam veterans from the local area honored through VVMF’s *In Memory* program which honors veterans who returned home from Vietnam and later died; video displays that teach about the history and impact of *The Wall*; educational exhibits told through items representative of those left at *The Wall* in D.C.; a replica of the *In Memory* plaque; a map of Vietnam and a chronological overview of the Vietnam War. The exhibits tell the story of the Vietnam War, *The Wall* and the era surrounding the conflict, and are designed to put American experiences in Vietnam in a historical and cultural context.

USAA has returned as presenting sponsor for the national tour for the 11<sup>th</sup> year. Over the past decade, they have traveled to nearly 300 communities with VVMF. This year, VVMF also is pleased to announce a new sponsor for the 2025 season, Wipfli LLP. Headquartered in Milwaukee, Wipfli is an advisory and accounting firm with more than 3,300 associates who deliver digital, people, strategy, risk, financial and outsourcing solutions to nearly 56,000 clients.

Through a partnership with the Truckload Carriers Association (TCA), the trucking industry, and Blue Beacon, the exhibit is able to travel across the country. This is a community wide event with numerous sponsors. We thank everyone in Person County, City of Roxboro, our Emergency Services partners, businesses, civic organizations and schools for their assistance in making this happen.

Since its debut in 1996, the exhibit has been on display in nearly 800 U.S. communities in addition to an April 1999 tour of the Four Provinces of Ireland and a visit to Canada in 2005. *The Wall That Heals* is a program of VVMF, the nonprofit organization that built the Vietnam Veterans Memorial in Washington, D.C. in 1982. *The Wall That Heals* is the only traveling exhibit affiliated with *The Wall* in Washington, D.C. and includes the largest Wall replica that travels the country. Two VVMF staff members lead volunteers on site, educate visitors and students, and ensure the reflective atmosphere of *The Wall*.
